SISTER MARY ELIZA MARTIN, C.S.C.

It has been traditional throughout the years that dedication of the ETALON be reserved for one special individual who has sacrificed time and effort for the benefit of the school and the student body. However, this year's Annual Staff found it impossible to narrow the choice down to one. The Staff felt that there were two dedicated individuals who stood out from the rest. Although known mainly by the upper division classmen, they have won the respect and affection of all the students.

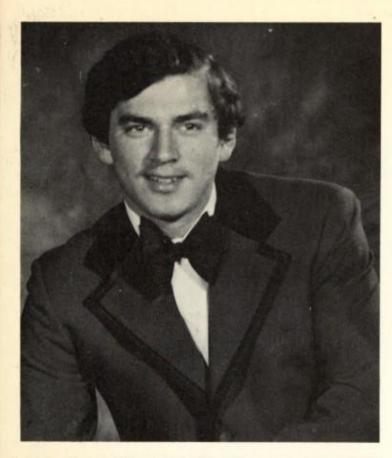

Mr. Herman L. Hodge

Throughout their years at Salesian, they have proved to be true friends, guiding many students on the path of life, ready to lend a helping hand. Salesian High School is forever indebted to these two dedicated individuals. Therefore, this year's Annual Staff believes that it is only fitting and proper that the 1973 ETALON be dedicated to:

Sister Mary Eliza Martin, CSC and Mr. Herman L. Hodge.

CIF A CHAMPIONS

The Mustang Cross Country team made history for Salesian this year by being the first ever Salesian squad to bring a CIF championship to the school. This despite a one-point loss to a fine Loyola continger which deprived the Mustangs of the league title. This setback was greatly minimized by Salesians' spectacular win in the CIF A champion ship run held at MSAC. Hail to our very fine team for great attitude an fine spirit.

The 1973 Soccer Season at Salesian High School brought many joys to players, coaches and fans. Right from the beginning the teams were formed with a strict sense of responsibility, hard work and discipline. All this added to the pride which each player had in his team which produced fine results. The Varsity team came from a fifth place in 1972, to a third place in 1973. This came after a tremendous performance and after being together with the leaders for half of a season. Its record was: 9-3-4.

The Junior Varsity team, from a last place in 1972, came to an undefeated first place this year with an impressive record of 16-0-0.

The satisfaction was complete. Two main factors which contributed to the success of the team were the administration's support, and the working together of the players and coaches. We look with confidence to the future. The Salesian Soccer team has done it again. Congratulations.

Mexican Independence Day

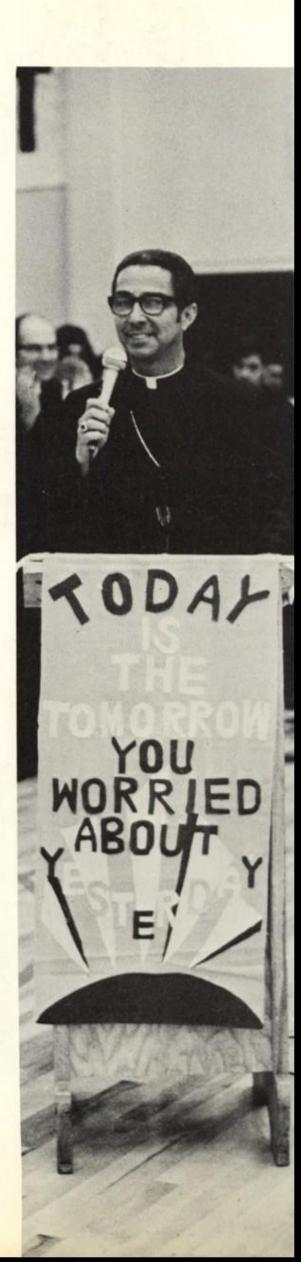

Salesian Day

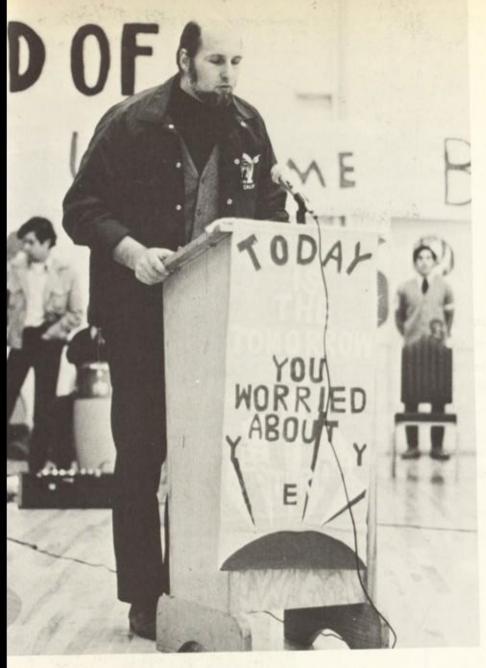

Salesian Day was held here to commemorate the life and ideals of St. John Bosco. Traditionally, Archbishop Timothy Manning is the one who presides over Salesian Day. This year, however, Archbishop Manning could not be here with us. In his place was Bishop Juan Arzube, who honored us with his presence. While here, Bishop Arzube talked briefly with the Seniors and answered questions.

Salesian Day was composed of many student-oriented activities: Basketball, tug-o-wars, and a Mass presided over by Bishop Arzube. We wish to thank all those who helped to make Salesian Day the success it was. We especially would like to thank Bishop Juan Arzube for taking the time and trouble to come to our school and participate in our Salesian Day celebration.

Celebrity Basketball Game

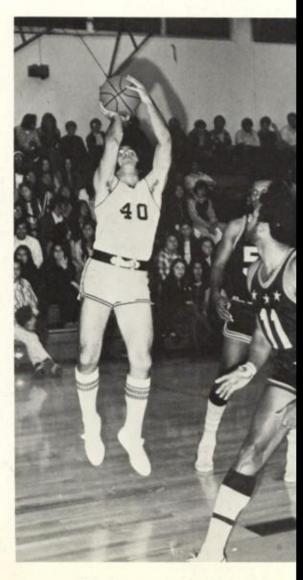

On Friday, March 17, '73, The Johnny Brown All-stars met the faculty of Salesian High School, the purpose being to raise money for the school. The fast-moving action continued through the game, and the faculty put up a good fight. But in the end it was the All-stars that came up victorious.

We would like to give our sincere thanks to the Johnny Brown All-stars for taking the time and trouble to help raise funds for our schbol, and hope that they make a return visit in the future.

Rams Basketball Game

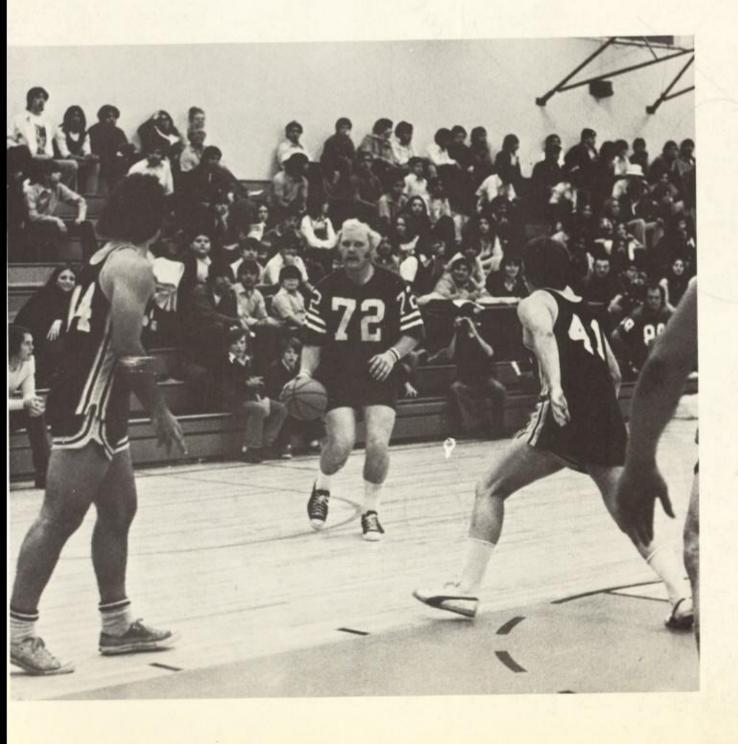

The Los Angeles Rams and the champion U.S.C. Trojans battled it out on the basketball court this year to benefit Salesian's athletic program. The hard fought game was won by the Trojans. The students of Salesian are especially grateful to the U.S.C. players who donated their time for our cause.

BISHOP MORA SALESIAN HIGH SCHOOL

960 SOUTH SOTO STREET / LOS ANGELES, CALIFORNIA 90023 / AN 1-7124

June 3, 1973

Dear Graduates:

You have finally reached the day you have all so longed for, your graduation. But now that you are about to leave these hallowed walls you will sense a certain sadness in the parting. After having put so much of yourself here, you cannot leave without feeling that a part of you still remains here at Salesian High School. We the faculty also feel this same sensation, for we feel that by our work and effort we have tried to give you something of ourself in order to prepare you to face life in its reality in the outside world of everyday. We have each exchanged some valuable experiences. I hope we have both grown richer by them. In this sense we have been both teachers and students simultaneously.

As you bid us farewell, we hope your thoughts will often recall the pleasant moments you experienced at Salesian. We on our part wish you the best of luck, happiness and success in whatever venture you embark upon as your career. Remember that the world lies open before you, ready to be conquered. Your life is yours and it is now up to you to form it, to shape it as you will. We have prepared you to our best ability for this life venture. Make the best of it and become something in this world.

If in the course of this journey, you should doubt or falter, remember that you can always seek guidance and direction here at Salesian.

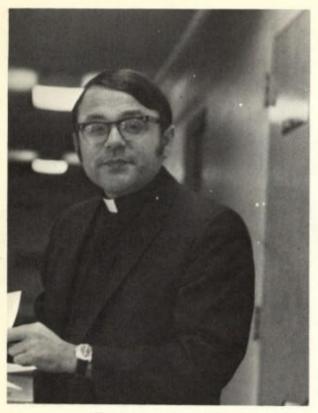

I pray that your future may be bright and successful. May the Divine Teacher show you the way to true happiness and success in your life.

God be with you.
